Religious Education News

"Blessed are the gentle, for they will inherit the earth." ~

"Happy are those who are not angry or prone to temper, for they will inherit the earth." The Source

How are we modelling gentleness with our children? Meekness? Jesus described Himself as gentle and humble in heart — would our children describe us that way? Or do we justify pride and bullying behaviour because "we are the parents"? Do they see us as angry and prone to temper? Do we model ourselves on Joseph and Mary and show love, understanding and forgiveness?
