## Principal's Message

Dear Parents, Boys and Girls,

The following passages are taken from Sr Leone's reflections on Holy Week as we move to our Easter celebrations. I have amended the words of wisdom for our bulletin but am happy to share her full articles on request.

*The Gospel for Holy Thursday is taken from the Gospel of the Beloved Disciple, John, and is a good example of something that John is sharing with us so that our joy may be complete. It was the Beloved Disciple who stood with Mary at the foot of the Cross (John 19:26-27). He was also sitting beside Jesus at the Last Supper, so close that he could lean back against Jesus and converse with him (John 13:23-26).*

*On Thursday night we are drawn by grace to be present with him and the other disciples at Jesus' last supper. Rather, we are invited by Jesus to be the Beloved Disciple, for in Jesus' eyes that is what we are. We do this every time we come to Mass, but all other Masses simply make present at the beginning of every new week what is happening on Thursday night.*

***So let us accept his invitation, be the Beloved Disciple, and take our place next to Jesus to celebrate with him this Passover meal. This was to be Jesus' final meal with his closest friends.***

*On Good Friday hundreds of millions of people remember the death of Jesus of Nazareth. As a politically motivated murder of an innocent and loving man, it runs to a pattern with which our world is, unfortunately, all too familiar. Yet there is something about the crucifixion of Jesus that continues to haunt our minds and hearts.*

*Why? It witnesses to the folly of people attempting to define the divine, the folly of an established group thinking that they alone possess the truth and have a mission to impose it on others. Those responsible for the death of Jesus were convinced that they knew God, but they failed to recognise God at the heart of the love of this Galilean carpenter.*

***If our hearts are moved by what Jesus offers us on Good Friday, let us commit ourselves to carry on his mission of love, and that we might be able to do this, let us re-commit ourselves to the community of faith that comes together to hear his word and to receive him in communion.***

*The staff at St.M.M's wish everyone in our community a happy and holy Easter, with family and friends.*

God Bless

Mr Kevin Mills  
Principal

## Enrolments

Enrolments for Kindergarten 2022 are now taking place. If your child was born between 1<sup>st</sup> August, 2016 and 31<sup>st</sup> July, 2017, please collect an enrolment form from the school office. Interviews will commence at the end of April.

## Monitoring Attendance

We monitor students attendance and lateness on a regular basis, throughout the year. School attendance plays a very important role in your child's learning, this includes being late on a regular basis.

## School Hours

Parents are reminded that school commences at 8:40am and finishes at 3:00pm. It is important that students are here by **8:30am** to begin classes at **8:40am**.

## Winter Uniform

Students are required to be dressed in winter uniform for Term 2. There will be a 4 week grace period for students. All students must be in full school winter uniform by Monday, 17<sup>th</sup> May.

Lowes is the only supplier of StMM's school uniforms. Uniforms brought from any other supplier is in breach of contract and may not be correct.

## Medical Information

Parents are reminded of the importance of ensuring all medical information regarding their child is up to date at all times. This includes updating asthma plans, anaphylaxis plans and any medication that your child requires during school time. This updated information allows the school to best treat your child should an emergency arise.

## Head Lice

A reminder that during the holidays it is a good time to treat your child/rens hair and wash bed linen & school hats. Head lice is an ongoing problem within schools which can only be resolved with parents support.

## Stranger Danger

As the school holidays commence next week, parents are reminded to talk with their children about the importance of Stranger Danger and how it can affect them and people around them.

## Holy Thursday Prayer Service

To celebrate the beginning of the Easter Triduum (Holy Thursday), a prayer service will be held on Thursday 1<sup>st</sup> April at 11.30am. This will be held outside, on the grass covered area.

To comply with our COVID safe plan, the following safety measures have been put in place for the event:

- A **maximum of 2 adults per family** are able to attend
- In the event of wet weather (rain), the event will become a **student only event** as we cannot accommodate social distancing and the number of people in an indoor space

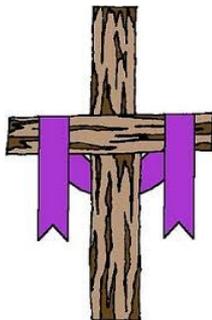

If there are any changes about this event (including wet weather cancellation) it will be communicated through StMM's SkoolBag app. Students are to wear their full school uniform. We look forward to coming together in community to celebrate this Holy Day.

## Monday Morning Assembly

On Monday 29<sup>th</sup> March, the whole school gathered for our morning assembly. It was Kindy's first time having a Monday morning school assembly with our wonderful parents! Together we said the school prayer and we were able to sing the national anthem. Mrs Foley handed out awards to the students who competed in the Zone Swimming Carnival. To end our assembly, Mr Mills asked all the parents to come up on the stairs in front of the students, as we held out our right hand and gave a special blessing to the parents.

## Year 3 Incursion

Peter the SONAR Engineer.

On 29<sup>th</sup> March a very important visitor came to Year 3. Peter Bach is part of the 'STEM Professionals in Schools' program run by the CSIRO. Peter talked to

us and told us he is a SONAR engineer. SONAR stands for sound and navigation ranging. Peter talked to us about submarines. Australian submarines use hybrid technology like Tesla cars. They use diesel fuel and battery power. Submarines are about 75 metres in length.

After Peter finished talking, year 3 shared what we have been learning about this term in Science. We showed

him our Blue-bots and the tracks we have designed. We explained about the codes we have created for the Blue-bots to travel.

## Wellbeing Week

In Week 9 StMM's held Wellbeing Week and it was so much fun! During the special week, St Margaret Mary's students were able to wear uniforms of their choice and there was no homework! Our theme for this term was 'Connection' and teachers gave their students a yellow puzzle piece to take home with activities to enjoy. Everyone will get a new piece of the puzzle each term! During the week we participated in nature activities, handball competitions and the teachers set up a prayer space in the LARC for us. We also had a mufti and movie afternoon on Friday which was great. We hope everyone has enjoyed Wellbeing Week and we can't wait to see what we will be doing for Wellbeing Week in Term 2.

## P&F Easter Egg Raffle

On Friday of Week 9, St Margaret Mary's were able to wear mufti clothes and bring in a chocolate egg for the Easter Egg Raffle. Our wonderful P&F parents helped pack the big easter eggs for the raffle, they created over 100 prizes for students to

win! Before we did the big raffle outside, the P&F drew some names out of the barrel for the little prizes and sent the prizes to each class. That afternoon, all the students gathered on the playground for the big prizes to be drawn. It was so much fun cheering and clapping for the winners! Congratulations to all those who won a prize!

Thank you to our StMM's P&F and families for your help with the raffle, food and drinks supplied and easter egg donations. Your generosity is greatly appreciated.
